

Putting the Pieces Together

Teacher Notes

Purpose:

Allow students to discover the value of different leadership styles and build an appreciation for the different strengths and weaknesses each bring to the table.

Supplies:

Puzzle with the same number of pieces for each group
Prize for winning team (optional)
Putting the Pieces together reflection sheet

Preparation:

Build teams of 4 combining students of different leadership styles (students must complete a leadership style quiz previous to this activity)

Assign each member of the team a letter

Activity:

Groups will compete to complete the puzzle first. Winning team can be awarded a prize if you choose.

Ten minutes into the activity announce that Team member A must step out of the activity for five minutes before they can return.

Wait five minutes and do the same for Team member B and continue for member C and member D.

Once a winning group is determined have students complete the reflection worksheet.
